**Classes in bold have been approved for Step Up to Quality credit.** Many other classes are pending credit approval; notification will be made as approval is given.

**Classes listed provide 120 hours toward credential.** Additional hours can be earned through off-site observations and ODJFS requirements: First Aid, CPR, Communicable Diseases and Child Abuse & Neglect. Information will be provided at class.

#### **Here's what past participants have to say about our classes:**

*"I learned how to really understand the children. Also, how to handle certain situations, and how to address situations."*

*"Trainers were very knowledgeable of information and were willing to help above and beyond what they were expected to."*
