Education	Education	H.O.P.E. Line		Statewide	+1 (844) 678-2227	https://www.nationwidechildrens.org/specialties/behavioral-health/for-providers/helping-ohio-preschoolers-excel#:~:text=Call%20(844)%20678%2D2227,a.m.%20to%205%20p.m.%20Friday.		An evidence-informed, statewide program designed to support early learning professionals working with children from birth to age eight. This "warm line" connects licensed early education programs and family childcare sites with Infant and Early Childhood Mental Health (IECMH) Consultative Services. This preventative program aims to build capacity around children's social, emotional, and behavioral health and connects programs with resources before children are at risk of suspension or expulsion. Support is provided within 48 hours of request and includes classroom observations, resource sharing, coaching, professional development, and referrals to additional services as needed.

Elderly Supports								Coleman Adult Day Services is an inviting daytime group program designed for older adults whose quality of life is challenged because of diminishing or limited physical, social, or cognitive capabilities. The program accepts people at various functioning levels and provides programming appropriate to a person's physical and social abilities. Participant needs range from those who merely need increased socialization to those who have more chronic health conditions which require constant contact supervision or specific nursing interventions. Caregivers who work, have other obligations, or need time away from caregiving responsibilities enjoy the peace of mind that comes with knowing their loved one is safe.
