This "warm line" connects licensed early education programs and family childcare sites with Infant and Early Childhood Mental Health (IECMH) Consultative Services. This preventative program aims to build capacity around children's social, emotional, and behavioral health and connects programs with resources before children are at risk of suspension or expulsion. Support is provided within 48 hours of request and includes classroom observations, resource sharing, coaching, professional development, and referrals to additional services as needed.

Fresh Start – Learn how to cook healthy meals for you and your family. Car Seat Program – have a certified car seat technician teach you how to safely buckle your baby into a car seat. You'll also learn how to install the seat in a car. You'll be able to do it yourself, but we'll check to make sure everything's just right. Friends and family CPR – learn how to administer CPR to an adult, child or infant. Social Services – get assistance in finding out what social service programs are available, and assistance in the application process. Referrals will be made when appropriate. Available programs for men: Monthly educational home visits – provides mentorship
Financial		<b>Ohio's Best Rx</b>		Statewide	866-923-7879 or 866-9BESTRX			A prescription drug discount card program designed to help lower the cost of medications for eligible Ohioans of any age; There is no application or enrollment fee and applying is easy
