

## EARLY CHILDHOOD RESOURCE CENTER

*A Ministry of the Sisters of Charity Health System*

### Commemorating 25 Years in 2025

Once upon a time—25 years ago—a small but mighty organization set out with a bold vision to be a leader in working with community partners to ensure that the child is at the center of everything we do. Since 2000, the Early Childhood Resource Center has grown into a beacon of hope, learning, and love for the youngest residents of Stark and surrounding counties—and for the families, educators, and child care providers who nurture them.

From parents and grandparents to dedicated educators and child care providers, the Early Childhood Resource Center empowers all who shape a child's early years. Together, we've built a stronger, more connected community—one child, one family, one provider at a time.

### 25th Anniversary Event: Thursday, October 16

#### *The Story Continues: Celebrating 25 Years of Impact*

You're invited to join us for an evening of celebration, gratitude, and joy as we reflect on the past and look ahead to the next 25 years of impact. Our upcoming annual fundraiser is more than an event—it's a night to honor the heroes who've helped us write this incredible story—parents, educators, caregivers, and generous supporters like you.

### Help Us Write the Next Chapter

Every great story needs a hero. And that's where **YOU** come in! The heroes in the Early Childhood Resource Center's story are parents, child care providers, early childhood education professionals, friends, and generous supporters like you, who help light the way. Your support of our mission helps us nurture not just the children of today, but the promise of tomorrow. Because of you, we can keep placing each child at the center of everything we do.

*Please review the accompanying sponsorship form to see how you can help us make a difference in the lives of local children and families today.*

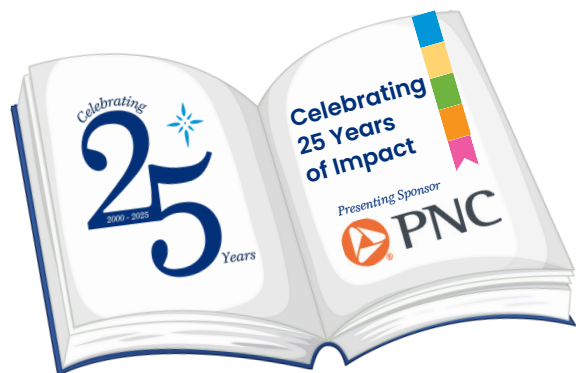

As we celebrate 25 years of impact, we invite you to stand with us. Be part of the story. Be part of the legacy. **Be the reason a child's future is filled with promise.**

Warm Regards,

**Angela Moses**, Executive Director
