

EARLY CHILDHOOD RESOURCE CENTER: TRAINING SCHEDULE

Spring ★ 2023

Register for classes today to meet your biennium requirements!

The current professional development biennium comes to an end on June 30th, 2023. That date will be here before you know it!

By June 30th, all administrators, lead teachers, assistant teachers and family child care providers working in a SUTQ star-rated program must have completed 20 hours of Ohio Approved training.

That means it's time to take some classes!

Fortunately, we've scheduled lots of great classes to help you get your hours in before the deadline.

Want to find out how many hours you still need to earn? Your Early Childhood Specialist can help! Call us at 330-491-3272 or visit bit.ly/3JAAKxp for more information.

Our Mission

is to promote the healthy development of young children by strengthening families, improving the quality of early learning experiences, increasing school and community readiness, and informing public policy.
